

# ASIAN PACIFIC Community Fund

*Invest in people*

The Asian Pacific Community Fund (APCF) was founded in 1990 to directly support Asian and Pacific Islander (API) communities in need. We transform lives and meet the diverse needs of APIs, the fastest growing population in the U.S. APCF and its Affiliate Agencies serve the greater Los Angeles area with linguistically and culturally appropriate

services for APIs and others in need. Together, we build healthier communities, develop leaders, create a stronger unified voice, and provide the foundation for a brighter tomorrow.
